Creating Connections Live & Silent Auctions

Dear Community Stakeholder:

The goal of Cronkite Development, Inc. ("CDI"), is to provide support services to children and families in Marin City. CDI aims to deliver education, social support, and spiritual connection to those who need it most. Our mission is to make sure that children growing up in Marin City have the opportunity to experience all that Marin County and the world have to offer.

Due to a lack of financial resources, many children growing up in Marin City have never been to the ocean, ran through redwood trees, sat in a boat, attended a movie theater with friends, nor enjoyed the many fairs and festivals our beautiful county offers. These activities provide a broader understanding and context of our world, and are important to childhood development, health, and sense of wellbeing.

You are cordially invited to attend CDI's *Creating Connections Live and Silent Auctions*, located at the Mill Valley Community Center, on Friday, January 19, 2018, at 7pm. Local businesses graciously donated over 150 items that will be auctioned. The event will include local food, wine, and champagne from culinary geniuses such as [Piatti's Italian Restaurant](#) [Sweet Things](#) and more. Additionally, we will have music from some of the area's most exciting musicians like the [ISOJI Wizards](#). Guests are strongly encouraged to donate \$100 via our website, with each RSVP.

It's not too late to help sponsor this event. We welcome a donation of products, services, or cash. Your donation may be accompanied by information about your products or services; and all donors will be listed on the program. CDI is a 501(c)(3) non-profit, and all donations are tax-deductible (tax ID# 36-4666532). Please feel free to request a receipt before or after the event.

Proceeds from this event will provide Marin City's children with the chance to see the ocean, local parks, museums, zoos, and snow for the first time in their lives. While each excursion is designed to build relationships between the children and the broader world, we also assist parents in accessing support services to help break the bonds of poverty.

Thank you for your time and consideration.

Sincerely,

Damian Morgan
